9 MARCH 2022

International Women's Day

ARA Venn is delighted to support International Women's Day.

On 8th March 2022, the female employees at ARA Venn and ARA Europe met for an informal breakfast to acknowledge and celebrate International Women's Day. This was a great opportunity for the women from both offices to get together to show their support for this important initiative and strike the pose for #BreakTheBias.

In addition, in recognition of the importance of supporting women in the workplace, and as part of its ESG initiative, ARA Venn has made a donation to **Smart Works**. This amazing charity sources workwear for women to attend job interviews and provides interview training and guidance, supporting those who need it the most to gain access to the job market.
